Keep a Diary

- Register an account and create your own diary.
- Look up the games you like and see what people think about them.
- Write in your diary about the games you've played.
- Customize your diary entry with a rating, review, date, or mark the game as a favorite.
- Make your opinion known by making your entries public or keep them private, it's entirely optional. Create and manage lists of games. Customize your lists and diary entries with user created tags.
